Individual & Family
OREGON DENTAL COVERAGE

Keeps those pearly whites gleaming.

Making that regular trek to the dentist isn’t just good for your pearly whites, it’s essential for good health. Why? Because researchers think there may be a link between cavities and gum disease, as well as serious health problems like heart disease.
**WHAT TO EXPECT**
Here are some important features of the plan:

**No or low deductibles**
You won’t have to meet any deductible for basic exams and cleanings. And you’ll only have to meet a $50 deductible for other covered services.

**Help with the big stuff**
If fillings, a crown, implants or other restorative and major services are needed, the plan helps pay the balance after the deductible has been met (up to the benefit-year maximum). There’s a six-month waiting period for restorative services and a 12-month waiting period for major services.

**More bang for your buck**
Your coverage lets you see any dentist you’d like, but if you want to save money check out the dentists in our network. To find one, go to LifeMapCo.com.

**INCENTIVE 10 DENTAL**
*Watch your benefits grow from year to year!*
Incentive 10 Dental rewards you for receiving routine preventive care. Each year that you see the dentist for an annual exam and cleaning means greater benefits and fewer out-of-pocket expenses the next year.

**HOW IT WORKS**
Take a look at the chart below to see how it works. Each year you visit the dentist for at least one cleaning and one exam, we’ll pay for more care during the next benefit year. The share we pay toward specific services also increases. By year four you could get up to $1,500 worth of dental care. And we’d cover that care at 100/80/50—which means we’d pay 100% of preventive care, 80% of restorative services and 50% of major services.

**CHOICE FOR YOUR CHOMPERS**
Armed with a LifeMap Dental Plan, you and your family will be motivated to get regular check-ups, brush, floss, rinse and repeat. We offer three dental plans to choose from: **INCENTIVE 10 DENTAL** and **DOLLAR-BASED DENTAL** reward you for making those proactive trips to the dentist’s chair and **EXCLUSIVE PROVIDER ORGANIZATION (EPO)** DENTAL offers high value care from the Willamette Dental Group network.
An annual exam and a cleaning reward you with lower costs for dental care and increasing maximum benefits.

**Preventive services**
- Cleanings, limited to two per benefit year, whether they’re considered cleanings or periodontal maintenance (periodontal maintenance is covered under major services)
- Oral exams: two per benefit year
- Topical fluoride treatment: two applications per benefit year for members age 17 and under
- X-ray bitewings: two sets per benefit year; panoramic and full-mouth series: limited to once every three years
- Sealants allowed for permanent bicuspids and molars for members age 17 and under
- Space maintainers allowed for members age 11 and under

**Restorative services**
- Fillings, composite and amalgam
- Emergency treatment for pain relief only
- Oral surgery, including surgical extractions, removal of teeth, biopsies and incision and drainage
- General anesthesia or intravenous sedation allowed for surgical extractions of teeth and for members age 6 and under
- Direct pulp capping

**Major services**
- Crowns or onlays
- Bridges (fixed partial dentures)
- Dentures (full or partial)
- Endosteal implants limited to four per lifetime per member
- Endodontics, including root canal treatment, pulpotomy and apicoectomy
- Periodontal maintenance, limited to two per benefit year in lieu of preventive cleaning
- Scaling and root planing allowed once every two years per quadrant
- Debridement allowed once every three years
- Gingivectomy and gingivoplasty allowed once every three years per quadrant
- Osseous and mucogingival surgery allowed once every five years per quadrant
- Replacement of prosthetics is limited to replacements made at least seven years from the most recent placement; limited to once in a seven-year period

**WHAT’S COVERED: Individual Incentive 10 Dental**
Pardon the *insurance speak*, but here’s where we tell you which procedures and treatments are covered. We apologize in advance if you feel the need for a translator.

SEE THAT HEALTHY SMILE
We want you to get a good look at your gleaming smile, so you can add Vision Coverage to any of our dental plans. It reimburses covered family members up to $150 for vision care, LASIK, glasses and contacts, every two years.
DOLLAR-BASED DENTAL

Wish you could spend your dental dollars your way?

Dollar-Based Dental is the plan for you! We’ve kicked most of the traditional limitations and exclusions to the curb and put you in charge. There’s a six-month waiting period before we start paying for stuff, but it’s worth it to have control of your dental dollars.

WHAT TO EXPECT
Here are some highlights of the plan:

1. **No deductible**
   You won’t have to meet any deductible for anything. Zip, zero, nada.

2. **Rewards for hightailing it to the dentist**
   Being proactive by getting an annual exam and cleaning earns you bigger benefits the following year.

3. **Savings that shine**
   See any dentist, but stretch your dollars by choosing a dentist in our network. To find one, go to LifeMapCo.com.

HOW IT WORKS
Take a look at the chart below to see how it works. Each year that you take a seat in the dentist’s chair for an exam and cleaning, means greater benefits the next. The goal is to reach $1,500 worth of dental care by year four.

WHAT’S COVERED:
